CWA Local 7250 Election Committee

Election Certification

FINAL Report

Today, June 5th 2018 The Election Committee voted unanimously to certify the preliminary results of the CWA Local 7250 Special Election for Area Vice President – Retail.

Ballots were mailed to members on 04/23/18. Returned ballots were due on Monday, May 14th 2018 and were counted Tuesday, May 15th by all members of the current Election Committee. Results were tentatively certified on May 15th, 2018 and there was a 10 day period for challenges to be submitted to the Election Committee before final certification could be ruled on.

A challenge to the election was received on Friday, May 25th 2018. The challenge stated that a candidate and local officer conducted store visits on paid union time while ballots were in the air. Upon thorough investigation, the committee has found that while store visits were conducted during this election, they were completed prior to ballots having been mailed, and were conducted for normal union business outside of election campaigning. Additionally, no evidence has been found to indicate that any campaigning was done during these visits.

As such, the committee has voted to certify the following election results:

Larry Thompson: 22

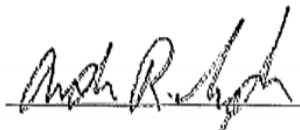

Hector Capote: 14
